St. Charles Farmers' Marketplace

We are located just off M-52 in Coal Miners' Park, 200 Parkway Drive in the beautiful Village of St. Charles.

The Grand Opening of our Marketplace was held on June 7, 2016. We will operate on Tuesdays from 3:00 p.m. through 7:00 p.m. from July 9 until September 24, 2024. Check out our Facebook page for the latest St. Charles Farmers' Marketplace.

Brush Removal

The Department of Public Works provides a courtesy service to residents of the Village by allowing "curbside pick-up" of larger items not considered yard waste such as logs, branches, and sticks greater than 3 inches in diameter. This service is only available the first full week of the month, April through October. Before placing brush to the curb, please be aware of the Village's brush removal policy;

- All brush must be stacked neatly parallel to the street and should be within two to three feet from the road surface
- Brush piles cannot exceed 8 feet in length
- If you have multiple piles of 8 feet or less, they may not overlap one another
- All brush must be out to the road by 7:30 a.m. on Monday of the first full week of each month. If brush is not out when our crew is in your neighborhood, your brush will not be picked up.
- Brush generated from a clear-cut of a property will not be fully removed. We will remove only one dump truck load per parcel.

Yard Waste & Brush Drop Off Sites

Monday-Friday during regular business hours Village residents can drop off their lawn and leaf clippings in the spot designated on Entrepreneur Drive next to our DPW barn.

Monday-Friday during regular business hours residents can make an appointment to drop off brush in the spot designated for brush on Entrepreneur Drive which is separate from our yard waste drop off site.
